What's inside

Our flu shot location finder makes your life easier and your family healthier. It's quick and easy to find a spot near you and schedule your visit. See Page 3 for more details.

Health + Wellness

Rewards for getting care

We know that a provider visit or health screening may not be at the top of your to-do list. But it's very important. So we reward our members for getting it done.

Find out if you have rewards to claim. Visit myuhc.com/communityplan/healthwellness. Next click "Earn rewards." Then click "Get started" to let us know what care you got.

Questions? Call Member Rewards toll-free at **1-800-870-5574**, TTY 711, 7 a.m.–7 p.m. CT, Monday–Friday.

Smoking Cessation

Ready, set, quit

Help to finally quit smoking for good

It's no secret that quitting smoking is hard. It can feel hopeless or scary. You might not know where to begin.

UnitedHealthcare offers help at no cost to members through Quit For Life®. Quit For Life has helped millions of members quit. It may be able to help you, too.

Quit For Life has online tools and support for quitting smoking, nicotine and tobacco. It also helps with e-cigarettes and vaping. You can quit at your own pace. Help includes:

A personal, 1-on-1 Quit Coach® who will create a plan just for you

Text2Quit® text messages for daily tips, help and reminders

Quit smoking medication to help control cravings

Visit quitnow.net to learn more and get started.

Important Screening Mammograms are a covered benefit

For women after age 50 and in certain circumstances before age 50, mammograms are a covered benefit. They help detect breast cancer, even when you don't have any symptoms. If you're due to get one, don't wait. Schedule this important screening today. It has saved the lives of hundreds of thousands of women. It could save your life, too!

Knowing how your breasts normally look and feel can help you notice symptoms of breast cancer. Possible signs include lumps, pain or changes in size. To learn how you can do a breast self-exam at home, visit uhc.care/healthtalkexam.

Annual Wellness Visit

Health in your hands

Annual wellness visits are important for good health

Preventive care tells you about your health before it gets bad. It is a covered benefit under your health plan. It includes regular visits to your primary care provider, screenings and vaccines.

All members of your family should see their primary care provider once a year for an annual wellness visit. These visits keep your family healthy. They can find and prevent problems before they happen.

Visit myuhc.com/communityplan to find a provider.

Do you know where to get care? Visit uhc.com/getcarequiz to learn more and test your knowledge on where you should go to get care.

Important Vaccine

Schedule your flu shot

Everyone over the age of 6 months should get the flu shot every year. It is one of the best ways to protect your family against the flu.

We know that it can be hard to find time in your busy day to get a flu shot. So we have an online tool that makes it easy. It only takes a few minutes to find a location near you. Then you can schedule an appointment for a day and time that works best.

Spend a few minutes now to plan your visit. It can make a big difference in your family's health this fall and winter. To get started, visit myuhc.com/findflushot.
